Get Parts Faster,
At a Fraction of the Cost

Welcome to Total Advantageᔆᔐ, an exclusive program that gives unprecedented discounts to Stratasys printer owners who print parts on demand through Stratasys Direct.*

Members Receive Incredible Benefits:

- Deep discounts across all of Stratasys Direct's additive manufacturing technologies

- Engineering support on complex, high-requirement projects from 3D printing experts in aerospace, automotive, consumer products and medical

- Access to a fleet of 200+ industrial-grade printers and the widest polymer AM material offering (50+ materials)

Total Advantage is free to Stratasys printer owners but you must *activate your membership*.

Despite the fact that our company owns and operates a fleet of 3D printers, we still saw the need to outsource overflow projects so that we could extend our capacity and accelerate our product development cycle. Stratasys Total Advantage was a natural fit for us because it allowed us to maximize the use of our existing fleet while giving the flexibility to outsource services we really needed."

Total Advantage customers **save up to 20%** on orders.

Frequently Asked Questions

Q. How do I redeem my discount?

A. Your account manager will contact you once your annual spend reaches the qualification thresholds of the program and provide you with a discount code. They will then discuss options for how to use the code for your purchase.

Q. Is this discount transferable to someone else in the company?

A. Yes, you can transfer the discount code to another department or location to use. However, the coupon can only be used towards one purchase or PO.

Q. Can I share this discount?

A. The discount is only for companies that meet the spending thresholds and qualify for the program. In addition, the discount is specific to your business.

Q. How do I join and is there a fee?

A. There is no registration process, you are already a loyal customer! There is also no fee to join in the program. The more orders you place, the quicker you become eligible for the reward and can invest in printers, materials, service or software.

Q. How do I know when my calendar year starts or stops?

A. This is an annual qualification program that begins January 1st and ends on December 31st each year. Once the discount is provided, it will expire one year from issue date. There is no rollover from year to year. The annual target resets on January 1st each year.

Q. What printers are available?

A. All Stratasys brand printers, materials, service contracts and software is included. Visit our website to learn more about our printers or your account manager would be happy to assist.

Q. Can I use the coupon to buy an older system?

A. The coupon is only good on new orders. No credits or reimbursements will be allowed on past purchases.

Q. How do I get in touch with a Stratasys vendor or reseller?

A. You can visit our website at Stratasys.com or ask your account manager to help find a reseller near you.
