

Hurry - Time-Sensitive Offer!

Upgrade to the J750 Digital Anatomy Printer and Get Up to \$100,000 Off!

**With an Eden or Connex
System Trade-in**

Trade-up your Eden™ or Connex™ printer to a J750™ Digital Anatomy Printer™ and we'll give you \$100,000 off the \$369,000 list price.¹

Simplify production of complex anatomical models with the Digital Anatomy Printer

- Create ultra-realistic medical models for visual demonstration and surgical preparation.
- Take time and labor out of model design with point-and-choose menu options.
- Print materials that closely mimic heart, bone, tissue and blood vessels at the push of a button.

Materials provide realistic haptic feedback.

Bone model created with BoneMatrix™ material.

HURRY, OFFER EXPIRES ON 2/14/2021!

¹ Not to be combined with any other offer. No substitutions. No additional discounts allowed on this promotion. PO must be received and orders shipped on or before February 14, 2021. Trade-in printers MUST be returned to Stratasys. No "stacking" of discounts on trade-ins.
