

Protective Case

This protective case showcases how you can produce large functional prototypes with industry leading side-wall quality requiring little to no finishing. The colour of the Somos® WaterShed Black resin removes the need for painting the part, resulting in time and cost savings.

System	Neo®450s
Material	Somos® WaterShed Black
Build Time	29h 8m
Material Used	783 (includes support)

ISO 9001:2015 Certified
