

Crate Packaging Prototype

The Neo800 can build large prototypes without the need for sectioning and bonding. The Neo can print complex designs with greater accuracy and sidewall quality, which reduces any finishing or post-processing time.

System	Neo®800
Material	Somos® WaterShed XC 11122
Build Time	22h
Material Used	1.19kg Somos® WaterShed XC 11122

ISO 9001:2015 Certified
